

Dear Valued Customers,

We hear you – *your emails, FB posts & google reviews!* We agree that we need to protect our most vulnerable neighbors from the COVID-19 virus.

To this end, **beginning Wednesday, March 18th, all McCaffrey's Food Markets will open earlier in order to service only customers who are age 60 and older from 6:00a.m.-7:00a.m. daily.**

Of Importance:

- We are not asking to see ID, but we are *pleading* with people to comply with the 60 and older shopping restriction during the designated a.m. hours.
- Early opening for those 60 and older will occur every day of the week so customers can shop in a less crowded environment prior to any other customers.
- Store associates do reserve the right to ask customers to leave if they are not a member of this age group.
- Please use cart wipes & maintain distance between customers in lines & aisles.
- Our stores receive deliveries throughout the day, at various times, so our shelves will be replenished for *all* customers.
- We have implemented additional cleaning and sanitation efforts, which will continue throughout the day at all stores.

Thank you for caring for our elder population; we appreciate your support, patience & understanding!

Sincerely,

Jim McCaffrey III & Jim McCaffrey IV
